

# December

## At

# Christ the King

December has arrived in fashion! Bringing beautiful sunshine and snow for our students to enjoy. This month is packed full of events to celebrate as a school and as families.

Here is what is happening this month:

## SPIRIT DAYS!

Dec 14th –Ugly Sweater day

Dec 15th –Be a Christmas character day (i.e: elf, reindeer, Santa, etc)

Dec 16th -Wear a Christmas hat & socks day

Dec 17th -Christmas PJ & slippers day

Dec 18th –Red & Green day/ Turkey Luncheon

## **Christmas Concert**

The school Christmas celebration will be very different this year! Each class will be performing their song/poem/dance, and everything will be uploaded to youtube. When all recordings are finished, a link to the video will be sent out to families for you to watch at home.

## **STAR STUDENT OF THE MONTH**

Congratulations to Feliksa who was the star student of the month of November! She received this award for consistently following the morning routine without any reminders. She always enters the classroom and gets ready to start her day.

Way to go Feliksa!

## **Brightspace/D2L**

In the event of the need to quickly pivot to online learning due to COVID, we are asking that every family become familiar with the postings and navigation system through our D2L Brightspace. If you require assistance, do not hesitate to contact me. Please note that this is simply a proactive request as we are hopeful that the pivot to online learning will not actually occur.

## **SUBJECTS:**

**Math:** We have been learning all about patterns. Students are identifying, describing, and creating patterns. We are now venturing into predicting pattern outcomes.

**Literacy:** Students have moved from making inferences to learning how to properly write a letter using detail in their writing. They found out just how important detail is when we made wow-butter and jam sandwiches!

**Science:** We have completed our unit on life cycles and are now learning all about forces that cause movement! So fun!

**Social Studies:** We continue to learn about early societies of Canada, and what life was like before all of our modern necessities.

I hope you all find the time to celebrate the peacefulness that surrounds this month.

Have a great week!

Mr. McCarthy
