

Kindergarten 1 NEWS

• • • • • • • • • • • • • • • •

We wish to thank you for taking the time to speak to us over the phone or through TEAMS. It was great to discuss how your child has progressed and adapted to Kindergarten this year. The relationship between home and school is important to your child's success. Please feel free to contact us any time if you have anything that you wish for us to know about your child. With that in mind, please check Brightspace regularly for updates in our learning journey.

Language and Math

We will be adding more sight words to our vocabulary this month. We have learned the words 'I', 'like' and 'my'. We practice reading everyday and are learning important things about how sentences are constructed and punctuation.

We are getting better at making predictions based on the title of the book and the cover picture. We hope to include knowledge based on what we already know about the world to our predictions.

In math, we have made it all the way to 10! We will be expanding our knowledge of how to make 10 and represent the number 10.

We have begun to explore 2D shapes and have spent a lot of time searching for and naming shapes in our classroom and the school.

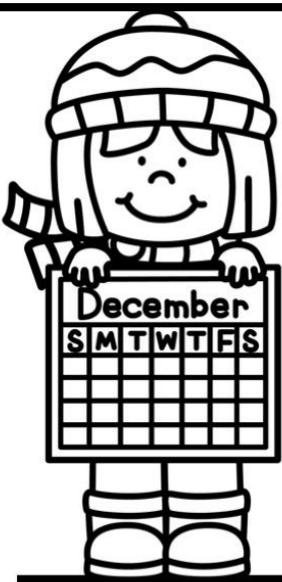

Important Information

Winter Weather: We go outside EVERYDAY! Please ensure that your child is dressed for the weather. It would be a great idea to send in an extra pair of mitts for when they get wet. Please send in warm mittens, the cloth mittens get wet easily and do not keep our hands warm.

Toys: We are in search of some donated used toys to enhance our classroom. With Covid-19 protocols, we are not allowed to share toys and as a result, we have had to place ALL of our toys out for use. We would love to change some toys to offer some more variety.

Wipes and Sanitizer: We are always in need of these items for our classroom. Thank you!

Kindergarten 1

Searching for letters outdoors and getting exercise at the same time!

Upcoming Events

- November 29: Advent begins
- December 11: Swiss Chalet lunch
- December 14: Ugly sweater day
- December 15: Be a Christmas Character day (reindeer, elf...)
- December 16: Christmas Hat and Sock Day
- December 17: Christmas PJs and slippers
- December 18: Red and Green Day and Turkey lunch
- December 21: Christmas holidays begin
- January 4: Return to school

We are busy preparing for the birth of Baby Jesus in our classroom. We will eagerly participate in the Advent celebrations every week and we are preparing our classroom and hearts for Christmas. We are also preparing for the coming of the guy in the red suit. Our letters to Santa have been written and are in the mail to the North Pole. We can hardly wait for Santa to send us a letter back!

Our Elf has arrived in quarantine) from the North Pole. I wonder what kind of mischief she will get into this year.

Some warm November fun!
