Letter from the Principal:

Greeting CTK families and friends!

As we shift your gears into more spring like wear, we welcome the ever-changing landscape of our world.

The blooming of flowers and plants, the birth of new wildlife and the scent of fresh cut grass! We also welcome a third return to online learning. With this, I am so happy to report that so many of our students are meeting virtual expectations with huge success!

REMEMBER US? We miss you!

Of course, nothing can beat face to face learning, but I am so proud of our general daily attendance, the amount of work being posted and the overall respectful approach our students have towards learning virtually! Keep up the wonderful efforts CTK. And please know that our staff are here for our families. If you need assistance, just ask...

We are in this together! Mrs. Hanley

THINGS TO CONSIDER:

MOVING?

Any families planning to move over the summer are asked to contact the school. Any families who have moved during the school year and have not yet contacted the school please do so or send a note with your new address to Mrs Fronczak our secretary

SUN SAVVY

With warmer weather upon us, we all need to practice the 5 key components of sun protection :

- Wear a hat
- Wear clothing that covers
- Protect your eyes
- Use sunscreen
- Seek out shade

First Communion

Due to COVID protocols, St Basil's parish has cancelled First Communion and will keep community updated on next steps and dates for future sacraments.

CONGRATULATIONS: to Riley Forget! She is the well-deserving recipient of CTK's Catholic Graduate Award. We are extremely proud of the faith model that Riley lives out in our community and school.
