Protocols for Indoor/Outdoor Sports:

- All individuals must self-screen at home prior to attending all outdoor sporting events.
- Individuals exhibiting COVID type symptoms shall not attend any games. If any player is absent from school or is sent home during the school day due to any COVID related symptoms or class cohorts, they are not permitted to play that day.
- Personal water bottles are to be used.
- Hand hygiene is to be practiced prior to, during and after participation. Have hand sanitizers available on the court or field for use when players go on and off court.
- Coaches and other coaching staff are to ensure equipment is to be cleaned/sanitized during breaks in game play where possible and upon completion.

Transportation

- All current transportation protocols must be followed.

Spectators

- Spectators are permitted to attend

Use of School Changerooms for indoor and outdoor sports

- All teams are responsible for bringing their own warmup up equipment (eg. balls)
- Changerooms can be made available
